## RS PRO Emergency LED Emergency Lighting 3 W

RS Stock No.: 922-7267

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO LED 3W emergency exit hanging sign provides a minimum of 3 hours illumination in the event of a power failure. Utilising LED technology offers increased energy and cost savings. The LED 3W emergency exit sign boasts a longer operating life and requires fewer batteries in comparison to traditional emergency lighting.
