

MADEIRA HARNESS

Reference EX250-01 size XS

Reference EX250-02 size S-M

Reference EX250-03 size L-XL

Reference EX250-04 size XXL

Product Description :

Fall arrest harness with work positioning belt and suspension point

- 2 fall arrest points (1 dorsal and 1 sternal point)
- 2 side work positioning points
- 1 suspension point
- 2 shoulder escape points for rescue

Very comfortable thanks to its horizontal leg straps, downward adjustments, and comfort foams.

Micro-perforated positioning belt for excellent ventilation.

Equipped with multiple adjustments, automatic aluminum buckles, park points on the shoulders, tool attachment loops and reflective strips on the belt.

EN361 – EN358 – EN813 – EN1497
