

Datasheet

RS PRO Angular Contact

Stock No. 2058767

Technical Specifications:

Id (mm)	35
Od (mm)	80
Width (mm)	21
Material	Steel

Features & Benefits:

Angular contact ball bearings come with a 40° contact angle. The large contact angle accommodates moderate to large axial loads as well as light to moderate radial loads, will only allow an axial load in 1 direction, to accommodate axial loads in various directions the bearings can be paired.

Typical mounting combinations include DB (Back to back), DF (Face to face) and DT (Tandem).
