## RS PRO, Female Cat5e RJ45 Connector

RS Stock No.: 360-7109

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

From RS PRO, this 8-pin RJ45 modular connector is a high-quality solution to network cable connections. The socket terminates easily to a stranded cable via a punch down system that results in a neat and secure connection. This panel mount modular connector creates a reliable panel or faceplate socket for connecting to RJ45 cable assemblies.
