RS PRO Junction Boxes

RS Stock No.: 122-153

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing a range of RS PRO terminal boxes. These boxes are designed for housing DIN rail terminals and accessories. Constructed from 1.5 mm gauge steel and finished in RAL 7032 (grey colour). Inside the lid is a fitted black polyurethane seal gasket that ensures the IP66 rating which offers protection from water, dirt and debris.
