

Datasheet

RS Pro 25 Way Right Angle Rectangular Connector Plug

RS Stock No: **544-3985**

Product Details

RS Pro right angled rectangular male connector plug has 25 number of gold plated contact with solder termination for easy installation and precise connection. It has a thermoplastic housing for added safety. This connector is current rated for 3 A and voltage rated for 350 V dc. The connector operates within the temperature range of -55 to 105 deg C. This right angled connector is suitable for military, industrial, commercial and computer interfacing applications.

Features and Benefits

- Solder bucket connection
- Suitable for military, industrial or commercial applications and computer interfacing etc
- Locking lugs retain connectors during PCB assembly thereby reducing costs

Specifications:

Body Orientation	Right Angle
Contact Material	Copper Alloy
Contact Plating	Gold
Current Rating	3 A
Depth	20.6 mm
Dimensions	53.04 x 20.6 mm
Gender	Male
Housing Material	Thermoplastic
Length	53.04 mm
Maximum Operating Temperature	+105°C
Minimum Operating Temperature	-55°C
Number of Contacts	25
Number of Poles	25
Termination Type	Solder
Voltage Rating	350 V dc
Contact Resistance	<15 Ω
Dielectric Strength	1000 V
Insulation Resistance	1000 MΩ
Shell Finish	Nickel Plated
Shell Material	Steel
