

# **132U Power Shark**

1/2" Impactool™

**REAL TOOLS FOR REAL WORK.™**

# Born to Be a Legend

New generation Ingersoll Rand 132U 1/2" air impact wrench is specially designed for vehicle repair market. 132U delivers the power and performance to tackle tough jobs with ease, including tyre rotation, brake jobs, crank pulley bolt removal, and more. Whether you're removing lug nuts or stubborn bolts you will be sure to do it in professional style.

## Product Features :

### Power

Long lasting twin hammer mechanism delivers maximum 1026Nm of torque. There is no job that will stand in its way.

### Reliability

Every component and function of 132U has been pushed to the limits to ensure it always performs in the face of the toughest jobs.

### Control

Adjustable Power Regulator provides variable power in forward direction and full power in the reverse direction, which gives you the freedom to set the power independently.

### Weight

At only 1.9 kg, 132U reduces operator fatigue. Ergonomic composite colorful housing offers great operator comfort.
