RS PRO Cable Conduit Support White Screw Plastic Conduit Saddles, 20mm Max. Bundle

RS Stock No.: 917-2006

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

These saddle clamps present a dependable cable management solution. With a screw hole for affixing to almost any surface, these versatile saddle clamps can hold pipes and cables in place securely. Once the base is affixed to a horizontal or vertical surface, the clamping element can be screwed down to tightly secure cables.

RS PRO PVC saddle cable clips for fixing runs of conduit to walls in various colours and sizes.
