**Additional Information**

For minimum order quantities, please contact our local office. To access the test data of each reference, please refer to the technical specification documents located in each SKU.

**Overview**

**Key Features**

The dexgrip line features seamless polyamide / cotton liners with latex coating.

**COMFORT**

The tight knit gives the glove perfect support, limits the penetration of dirt and offers a good touch. The cotton thread absorbs perspiration and thus provides added comfort. Non pilling, the polyamide is suitable for precision work. The ventilated back

improves the gloves' breathability.

**RESISTANCE**

The crepe latex coating provides resistance to abrasion and perforation as well as an excellent grip.

**Recommended Industries/Use**

- Agriculture
- Construction
- Manufacturing
- Municipal Services
- Transportation
- Wind Energy

**Hazards**

- Slip

**Regulations**

- EN 420-2010 - General requirements
