**RS PRO**

## Features

- Air heater element
- 5in length
- 0.5in diameter
- Voltage rating of 240V ac
- Power rating of 400W
- Suitable for a maximum of 10A
- Stainless Steel sheath

# RS PRO Air Heater

RS Stock No.: 860-7185

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Air heaters feature an open coil of high temperature resistance wire electrically isolated in a stainless steel sheath. Because the air being heated passes directly over the resistance wire, maximum heat transfer efficiency is achieved. Ar heaters are used for heat staking, plastic welding, laminating, drying, heat sealing, and any other operation where air needs to be heated up 500°C

## General Specifications

| Element Type | Air Heater |
|---|---|
| Power Rating | 400 W |
| OD | ½" |
| Length | 5" |
| Voltage | 240 V AC |
| Lead wires | 10 inch long |
| Lead wire insulation | Fiberglass |
