

## FEATURES

- Smooth plastic construction
- Easy to insert
- Secures and protects cables and wire
- Offers a degree of vibration resistance.

## RS PRO Black PVC 16mm Round Cable Grommet for Maximum of 12mm Cable Dia.

RS Stock No.: 241-4596

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

From the trusted RS PRO brand, this cable grommet is ideal for smoothing boreholes for cable feed-through. The open grommet is designed to snap neatly and quickly into position. Made from PVC material, the grommet has an advantage over rubber grommets in that it improves friction, allowing for smoother cabling.

241-4580 is a PVC Cable Grommet with a 12mm Plate Hole Diameter

241-4596 is a PVC Cable Grommet with a 16mm Plate Hole Diameter

241-4603 is a PVC Cable Grommet with a 22mm Plate Hole Diameter
