

FEATURES

- Non-release ratchet lock action
- Suitable for a multitude of uses
- Easy to thread
- Suitable for binding components or cable

RS PRO Red Nylon Cable Tie, 100mm x 2.5 mm

RS Stock No.: 233-207

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The design of a cable tie includes a head which provides the slot for the tape to be pulled through, to make a loop. The cable can be pulled through the slot until the preferred loop is achieved and then the excess cable can be cut off.

When threaded through the slot, the teeth of the cable form a lock which can't be pulled back through.

These coloured nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of sizes and colours to suit all your requirements.

General Specifications

Type	Non-Releaseable
Colour	Red
Material	Nylon 66
Application	Bundling wire together , different industries for various uses Automotive industry Transportation
Minimum Operating Temperature	-50°C
Maximum Operating Temperature	85°C
Fire Behaviour	Flame Retardant
Quantity	100

Mechanical Specifications

Length	100mm
Width	2.5mm
Tensile Strength	78.4N
Maximum Bundle Strength	22mm

Approvals

Standards Met	UL94-V2
