RS PRO Spray Booth Roof Media AR560-G 2mx20m

RS Stock No.: 2560531

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Synthetic Spray Booth filter media rolls are easy to use, simply cut to size. The 100% polyester media is non-toxic and safe to use in all applications. This media has a safety scrim to the clean air side and is coated with an adhesive to enhance filter performance and dust retention.
