

Datasheet

RS PRO Thrust Bearing

Stock No. 2058820

Technical Specifications:

Id (mm)	20
Od (mm)	35
Width (mm)	10
Material	Steel

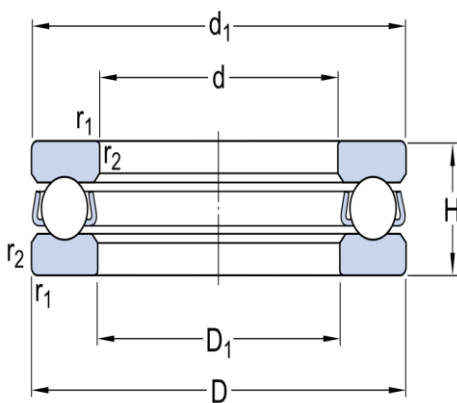

Features & Benefits:

The series of thrust ball bearings accommodate an axial load only.

With all of the rolling elements seeing an equal load, the applied load can be high.

The rings and balls/cage come as 3 components, making installation quick and easy as there is no worry about damaging bearing internals during fitting.
