

Datasheet

RS Pro 2 Way Earth Block, Screw Down 10 to 2 AWG, 63mm length, Green/Yellow

RS Stock No: **384-7048**

Product Details

RS Pro fuse disconnect end-plate terminal in black colour, has a glass fibre reinforced polyamide construction for an extended temperature range up to 140 deg C. It open-up for new application possibilities in electrical engineering. It has good dimensional stability for high temperature ranges. This end plate features an extraction lever that locks into its end position and allows a spare fuse to be attached from the side. The two cross-connection channels within the fuse disconnect terminal allow for potentials to be distributed to adjacent fused and feed-through terminals from the SRK series.

Features and Benefits

- Foot can be snapped on TS 35 DIN rail
- Housing made from Polyamide 6.6 V0, glass fibre reinforced
- Temperature resistance to 140°C (RTI elec.)

**Specifications:**

Cable CSA	35 mm ²
Colour	Green/Yellow
Current Rating	125 A
Height	75.1 mm
Housing Material	Nylon
Length	63 mm
Number of Ways	2
Termination Method	Screw Down
Voltage Rating	800 V
Width	16 mm
Wire Size	10 to 2 AWG
