RS Pro Infrared Panel Heater - 60 X 60cm - 350W

RS Stock No: **909-8267**

Product Details

RS Pro infrared panel heater converts 100% of the energy consumed into comfortable warmth, heating quickly and accurately without any plumbing, ongoing servicing or maintenance costs. This wall or floor mountable panel measures 60 x 60 cm. The infrared penetrates the air and heats people, objects and the fabric of the building much like sunlight or an open fire. IR heating evolves less humidity and therefore a lower risk of mould formation and mildew.

Features and Benefits

- Available in a selection of sizes and heat outputs
- Wall or floor mountable
- Silent operation
- Heating element: Carbon-nickel with nano silver and nano copper technology
- Front face: White powder coated metallic surface
- Rear face: Aluminium sheet with profiles for mounting
- Cable: 3 m power cable (European plug type CEE 7/4 fitted)
- Five integrated temperature sensors provide safety from overheating
- White powder coated aluminium frame
- Voltage rating of 230 V, 50 Hz

ENGLISH

Specifications:

Dimensions	60 x 60 mm
Frequency	50 Hz
Heat Type	Infrared Reflector
Height	60 mm
Mounting	Floor Mounted, Wall Mounted
Noise Level	Silent
Plug Type	Type C - Euro Plug
Width	60 mm
Voltage Rating	230 V
