

Description

This metal-cased pick-up tool is ideal for retrieving and holding parts. The three spring loaded-steel grips hold any shape up to 30mm. Simple thumb controlled plunge action makes this a very handy, easy-to-use tool even in the confined areas.

Features

- Ideal for holding small parts & components in position whilst soldering
- Fibre grips protect from heat travel in tweezers
- 160mm, Reverse action for holding items hands free
