

FEATURES

- Hard wire different elements of the EPA to ground
- Complete with 2 m earth lead
- Moulded from yellow ABS with rounded corners
- Size: 40 x 45 x 12 mm
- Supplied with two wood screws and one M5 ring terminal - easy to mount
- Grounding hub for earth bonding points - can receive several wires

RS PRO ESD Earth Bonding Bracket With Grounding Post x 1

RS Stock No.: 298-3963

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO earth facility bracket with a 2 m earth lead. Earth bonding brackets distribute electrical mains earth within the EPA and are ideal for workplaces where sensitive electronic equipment must be protected from static electricity. RS PRO have a great range of ESD grounding accessories including bonding plugs, bonding boxes, bonding brackets and cords plus many more to help eliminate the build-up of static discharge which can be a risk to static sensitive components or devices. RS PRO is our own brand range and brings you a wide range of high-quality, great value products offering you more choice. Trusted by engineers all over the world, every part of every RS PRO product has been rigorously tested against demanding industry standards; they're only given the RS PRO Seal of Approval if we're confident of their exceptional quality, which means you can be confident too.
