- Brakes not included
- Rubber tyres
- Included top plate fitting
- Four fixing holes of 8mm
- Fixed rotation
- Plain bore hub bearings

RS PRO Fixed Castor Wheel, 70kg Load Capacity, 75mm Wheel Diameter

RS Stock No.: 828-6300

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This 75 mm general-purpose swivel castor is ideal for safely transporting light-duty equipment, whether you're moving appliances across the office or setting up a mobile desk or chair. It can bear loads of up to 70 kg and rotates a full 360° for maximum mobility.

You can fasten this castor to your equipment in a very straightforward manner thanks to its simple rectangular plate mount. Moreover, its polypropylene (PP) hub and pressed steel bracket make it durable, whether you're applying it indoors or on softer outdoor surfaces. Finally, its tyres are conveniently crafted from rubber to protect flooring against marks.

General Specifications

Rotation	Fixed
