RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS Pro range of compact LED flashing beacons provide excellent warning light in a highly visible quad-flash pattern. Models are available in four different colours (amber, blue, green and red) and a variety of mounting options (magnetic, flexi-DIN, 3-point and single point).

This 10-110Vdc range is suitable for on-road, off-road and industrial applications and provides a powerful light source to signal hazards and emergencies.

General Specifications

Bulb Type	LED
Light Effect	Quad-flash

Mechanical Specifications

Mounting Style	3-Point base
Dimensions	145mm (diameter) x 123mm (height)
Weight	0.5KG

Electrical Specifications

Supply Voltage	10-110Vdc
Current Consumption	1.0A @ 12V, 0.6A @ 24V

Protection Category

IP Rating	IP67
------------------	------

Additional Information

Custom Tariff Number	85122000
Country of Origin	China

Approvals

Declarations	MFR Declaration of Conformity
Standards Met	RoHS, EMC (ECE R10), LVD, UKCA, CE
