

## FEATURES

- Wash bottle features a wide neck for easy spill-free filling
- Ideal for the safe dispensing of liquids and solvents
- Blank write on panels for easy labelling
- Features safety vapour venting patented Driplok technology to prevent hazardous solvent drips
- Indelibly printed in 3 languages (English, French & German)
- Flexible LDPE bottle fitted with colour-coded one-piece PP closures that maintain their shape in use
- Closure feature precision jet-tip aperture for fine control.

**Note:** Solvent wash bottles should not be used as storage bottles. Contents should be decanted into the storage container daily.
