RS PRO 430SS Multiband

RS Stock No.: 2193690, 2193691

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

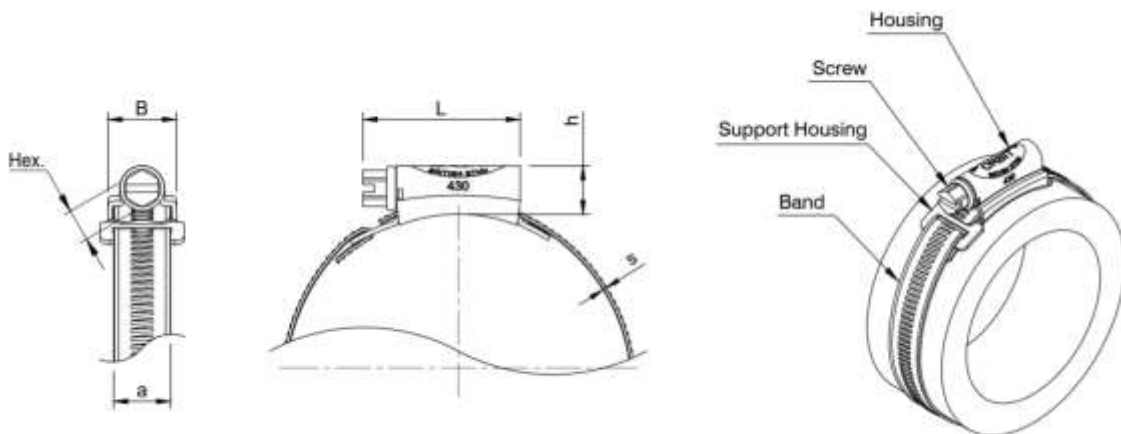

One set of RS PRO Multiband comes with one roll of raised edge band and one set of housings.

- It can be cut to length to fit with any sizes of hose above 2".
- It is suitable for low pressure and large diameter applications such as industrial ducting for ventilation / heating.

Installation

1. Estimate length required according to hose diameter and allowing 50 mm. overlap. Cut off with snips.
2. Insert one end into the housing and bend 10 - 15 mm.
3. Introduce free end into the housing. Simply tighten with a screwdriver.
