RS PRO 6 Drawer Heavy Duty Tool Cabinet (wood worktop)

RS Stock No.: 2555031

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

From RS PRO, this heavy duty 4-wheeled tool cabinet is a robust and versatile solution for mobile tool storage. With 6 drawers, including 2 deep-set base drawers, and a lockable side compartment for those larger items, there's plenty of storage space to organise a combination of tools and accessories. The drawers are also fully extending, for quick and convenient access, and feature individual smart locks to prevent accidental opening.

The lockable roller cabinet is constructed from durable sheet steel, with an electrostatic powder coating for a scratch-proof matte finish. It also features heavy-duty oil proof wheels, ensuring a tough unit ideal for challenging environments.

It also features a high-quality oil-treated multiplex wood worktop area, which is perfect for use as a temporary work surface. There is also a side section with two compartments, featuring a lockable door, suitable for storing a range of tools and items.

You can depend on this robust mobile tool cabinet. With an ergonomic handle, 2 fixed and 2 swivel wheels, ease of mobility is assured, and the storage options outmatch almost any conventional toolbox or tool chest.

Features and Benefits

- 6 drawer mobile tool cabinet with extra space
- Lockable side compartment, perfect for larger items
- Each drawer can take multiple XPE foam tool modules for a tailored tool layout
- Central locking mechanism for added security
- Smart lock on every draw keeps drawers closed avoiding accidental opening
- Low friction ball bearing slides for a smooth and durable mechanism
- Fully extending drawers
- Heavy duty oil proof wheels, 2 fixed, 2 swivel (1 with lock)
- Oil-treated multiplex wood worktop

Applications

Ideal for a busy workshop or for the ultimate in garage customisation, this rolling tool cabinet can be used anywhere where a wide selection of tools and accessories need to be stored and transported easily. They are advantageous over portable tools bags and toolboxes in that tools can be stored in a more organised manner. They also have advantages over fixed tool cabinets in that tools can be moved directly to where the work is happening, saving time and effort. These mobile tool cabinets are ideal for:

- Garage mechanics
- Workshops
- Maintenance workers
