

## FEATURES

- Reduced cost and carbon footprint while maintaining quality
- Recyclable and environmentally friendly
- Strong
- Heavy duty with reinforced base, sides and stacking rim
- Index card slot for instant product identification

## RS PRO PP Storage Bin Storage Bin, 132mm x 205mm, Black

RS Stock No.: 909-6918

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

From RS Pro range of economy plastic storage bins made from robust recycled polypropylene designed for simple and effective small parts organisation and storage in the workplace and in the home. These storage bins are stackable and can be stacked on top of one another to provide both a space saving solution to your storage needs and ease of handling
