

FEATURES

- One touch, push-to-connect configuration allows instant tubing connection

RS PRO

One Touch Fittings Double Reducer Y

RS Stock No.: 2351234

Metric Tube to Tube

Product Description

Part No.	Tube OD (A)	Tube OD (B)
2351234	6 mm	4 mm

Features

- One touch, push-to-connect configuration allows instant tubing connection

General Specifications

Suitability	Air (No other type of gas or liquid) Do not use in water applications
Working pressure	0 to 10.2 bar (0 to 150 psi)
Negative pressure	-29.5 in Hg / -750 mm Hg (-750 Torr)
Working temperature	0°C to +60°C (+32°F to +140°F)
Application tube	Polyurethane and nylon

Materials

Case	Polybutylene terephthalate
O ring	NBR
Release sleeve	Acetal
