

FEATURES

- More interconnected tie points
- More terminal and power bus
- Easy expansion and combination
- Easy wiring and insertion
- Flexible for digital or analog circuits

Breadboard Prototyping Solderless Breadboard 83 x 147 x 19mm

RS Stock No.: 835-2716

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This Advanced Solderless Breadboard from RS provides a great, value for money option for prototyping and testing of electronic or computer circuits.

General Specifications

Type	Prototyping Solderless Breadboard
Tie Points	958
6 Interconnected clip	142
12 Interconnected clip	4
24 Interconnected clip	2
Binding post	5
Back Plate	Sticker
Application	Designing Simple Circuits, Build and test circuits, wiring electrical circuits

Mechanical Specifications

Dimensions	83mm x 147mm x 19mm
Length	83mm
Width	147mm
Height	19mm
Weight	99g

Approvals

Compliance/Certifications	RoHS Compliant
