

Datasheet

RS Pro LDPE Laboratory Bottle with Wide Neck, 250 ml

RS Stock No: **838-6371**

Product Details

RS Pro LDPE laboratory bottle is a durable plastic lab ware wash bottle that comes with wide neck, solvent venting, colour-coded closures and multi-lingual labelling. The unique 2-way valve allows the vapour to escape from pressure builds up and stops air getting into the liquid. It has no more hazardous drips or dribbles and an accurate, continuous dispensing stream. The closure colour coding is green (Methanol) and comes with wide neck having a capacity of 250 ml.

Features and Benefits

- Multi-lingual wide-neck wash bottles featuring driplok vapour venting valve that prevents solvent drips
- Indelibly printed in 4 languages
- Solvent labels include Globally Harmonised Symbols, NFPA diamond, risk phrases and safety information
- Fitted with colour-coded 1-piece polypropylene closures which maintain their shape in use
- Closures feature precision jet-tip aperture for fine control
