

FEATURES

- Ideal for joining plasterboard and wood panels together
- Neat and tidy final finish
- Black oxide finish
- Good protection against surface rust
- Recyclable
- Available in a wide range of sizes, drive types and head shapes

RS PRO Plasterboard Screws

RS Stock No.: See Table Below

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the range of RS PRO Plasterboard, a high-quality fastener solution for applications where a flush finish is required on plasterboard or wood panels. Each fastener is made from steel with a black oxide coating, making them much more cost-effective than their stainless-steel counterparts, while offering a high level of protection against surface rust and oxidation.

Applications:

- Carpentry construction like decking, railings and small frames
- Metalwork and metal framing
- Building work and construction
- DIY

General Specifications

RS Stock Number	Approvals	Drive Type	Finish	Head Shape	Material	Length Imperial	System of Measurement	Stainless Steel Type	Length
2452719		Phillips	Black		Steel	1 1/8	Imperial
