

Product Datasheet

Soldering iron for RS PRO Soldering Station 202-4512

Stock number: 202-4513

EN

Specification:

Product name: Soldering iron handle

Fit for: 202-4512 soldering station

Rated power: 65W

Material: Plastic, Rubber, Metal, Stainless steel, Pluggable four core stainless steel heater

Input voltage: 220V

Handle size: 22.7*2.1cm

Total length with power cord: 1.35m

Color: Black

Weight: 93G

Package Content: 1 x 202-4513 soldering iron handle
