RS Stock No.: 182-8879

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO HDMI to DVI-D monitor cable is a simple way to connect your HDMI devices to your DVI-D enabled equipment. Found in both home and business environments, it's often used with desktop computers, laptops and home entertainment systems. This male-to-male lead features a 19-pin HDMI connector at one end and a single-link DVI-D connector at the other. It supports a maximum resolution of 4K.
