

Datasheet

RS Pro Illuminated Handheld Magnifier, 2.5 x Magnification, 90mm Diameter

RS Stock No: **849-6235**

Product Details

RS Pro illuminated handheld magnifier has a magnification power of 2.5 and lens diameter of 90 mm. An easy to use convex lens is mounted on a handle to magnify images or objects. The handheld magnifier benefits from LED light to aid vision, making it ideal either as a professional tool or for general use such as hobbies or around the home. The lenses are manufactured from polymethyl acrylate with a duplex hardened coating, which makes them durable, antistatic and scratch resistant.

Features and Benefits

- 2.5 X magnification
- LED light to aid vision
- Ideal for professions or hobbies such as crafting and jewellery
