## Chrome Effect Stainless Steel Retractable Barrier with 2m Tape

### Feature:

*Typically used for organizing lines, queues or to restrict access specific areas. Featuring a tough retractable belt made of woven nylon and a weighted base that makes the barrier difficult to topple. Self-assembly is simple - just combine the post, base and cover.*

***3 Part Assembly required, post + base + cover.***

### Product Details

- Made of Stainless Steel
- Vibrant Red Tape
- Heavy base for maximum stability
- Simple and quick assembly

***For more details please see next page.***
