Stock No. 189-0076

RS PRO Maintenance 105L Spill Kit in 2 Wheeled Bin

Maintenance absorbents are generally grey in colour. They are used for absorbing a wide range of non-aggressive oil and water based fluids, this can include oils, fuels, solvents, thinners, paints and mild cleaning chemicals. All kits come equipped with a range of absorbent formats depending on the size of kit including disposal bags and ties. A total 'one stop' package for a quick and effective response to spillages.
