

FEATURES

- Multilingual printed with wide mouth for easy filling
- Features an integral spout and inner tube that eliminates the need to place the inner tube down when refilling, minimising the risk of contamination
- Chemical name and safety information indelibly printed in English, French, German & Spanish
- White Vented cap with membrane allows venting and prevents pressure build up from solvents
- Precision jet tip for fine control
- Moulded graduations for approx. volume measurements

Note: Solvent wash bottles should not be used as storage bottles.
