RS PRO Retractable Tungsten Carbide Scriber

RS Stock No.: 205-0446

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

For use in metal work to mark lines on workpieces, prior to machining. To be used instead of pencil or ink lines, because the latter are hard to see, easily erased, and imprecise due to their wide mark.
