## RS PRO Male USB A to Male USB A USB Cable, USB 2.0, 3m, USB 2.0

RS Stock No.: 182-8484

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

**Product Description**

The RS PRO male-to-male USB A to USB A cable is designed to connect two electronic devices with male USB A ports. It's often used in home and office settings to connect everything from computers and laptops to docking stations and gaming consoles. This three-metre-long cable is handy in situations where you need more space to manoeuvre when operating your kit.
