

## Features

- Voltage: 250V AC
- Screw-type mounting
- Black / Grey body colour
- Connection Type 3Pole + Earth
- Socket Type C

## RS PRO DIN Connector Socket

RS Stock No.: 811-8229

RS PRO Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

## Product Description

The RS PRO Type C DIN connector socket secured in place using a simple screw mount fastener and designed for cable mounting. This solenoid valve connector socket as a Type C is the smallest type of DIN valve connector and is sometimes referred to as a sub-micro or micro DIN.

## General Specifications

Connection Type	3Pole + Earth
Mounting Type	Screw-Type
Type	MEM-Socket (Micro DIN Connector) - Non-illuminated
Socket Type	Type C
Mounting	M3 Screw
Material for Rubber Gasket	Nitril / Silicon
Material Body	Nylon-6-GF
Gland Size	PG-7
Body Colours	Black / Grey
Terminals	Screw-Type

## Electrical Specifications

Rating	6A, 250V AC
--------	-------------

## Operation Environment Specifications

Contact Resistance (Initial)	20 m Ohms max.
Permissible Temp. With/Without Load	0°C to 90°C
Insulation Resistance	100 M Ohms min.
H. V. Breakdown Test	2 KV AC For 1 Minute

## Mechanical Specifications

Current Carrying Parts	Copper Alloy, Tin plated
