

FEATURES

- In-line mounting
- Diaphragm design
- Self-relieving
- Repeatability ± 0.017 bar with 7 bar inlet pressure

RS PRO Diaphragm Regulator

RS Stock No.: 2351239

Product Description

Part No.	Port Size
2351239	1/4" NPT

Features

- In-line mounting
- Diaphragm design
- Self-relieving
- Repeatability ± 0.017 bar with 7 bar inlet pressure

General Specifications

Ambient / media temperature	+4°C to +52°C (+40°F to +125°F)
Inlet pressure	21 bar maximum
Outlet pressure	Adjustable up to 3.4 bar
Panel mounting	30 mm (1 3/16") hole required
Working medium	Compressed air
Dimensions	44 x 86 x 10 mm

Materials

Head	Aluminium
Dome	Aluminium
Seals	Nitrile
