

VHS120 All-In-One #General Cleaning

As efficient as simple, the right combination for your application: one specific model built according to each main specific segments and equipped with the best accessory kit.

Your task? Just plug and play... and continue doing your job without any thought.

The #General Cleaning vacuum cleaner is the excellent balance among efficiency compactness and price.

Compact and powerful, it's already equipped with an industrial cleaning accessories kit, ideal for cleaning spacious areas, both on floor and difficult spots. Consisting of a 5 meter polyurethane hose, and a complete set of single accessories, this kit lets you clean areas quickly and effectively.

Thanks to the numerous elements (handgrip, wheeled floor nozzle, cone, flat-tip crevice nozzle, etc.) it is extremely versatile.

Using this industrial vacuum means getting a cleaner working environment in few minutes.

- Single phase, n°2 by-pass motors
- Compact dimensions
- High container capacity
- Equipped a wide range of specific accessories
- 5 meters polyurethane hose
- Handgrip, wheeled floor nozzle, cone, flat-tip crevice nozzle
- Container easy to remove and empty
- Suitable for spacious areas
- High filter surface
- Ergonomic manual filter shaker
- Vacuum gauge on the motor head
- Optimum balance among efficiency compactness and price
