## RS Pro Reed Proximity switch & Magnet Set

### Specifications

- Normally open contact form
- Tamper loop
- Maximum voltage 400 Vac
- Maximum 60 WVA
- 1.0Amp switching current
- 2.0 Carry current
- 100 mOhm contact resistance
- Temperature range -20 +85° Celsius
- Environmental protection IP67
- 4 core cable with internal core colours -

Red and blue tamper loop (non-function), green and yellow N/O
