

ANSI Z87.1 EN166-B CE FACE SHIELD

Browguard/Headgear with
Ratchet Suspension

BE-B1YE

Black Aluminium
Visor Bracket

BE-A4

Face Shield Visor

BE-FC73

High impact resistant
ABS Chinguard

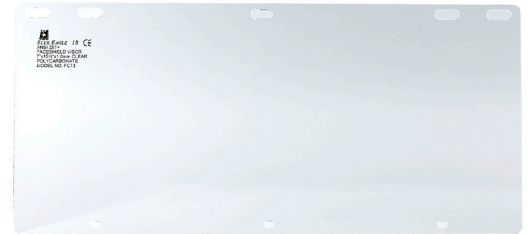

BE-C3YE

BE-FC73

Blue Eagle Face Shield Visor

- EN 166-B, ANSI Z87.1, CSA Z94.3
- Best Optical Quality (Class 1) -Highest levels of optical tests (Class 1) including spherical refractive power, astigmatic refractive power, prismatic refractive power, and light diffusion
- Frontal and lateral impact resistance
- High speed particle impact resistance at extreme temperatures (withstand 6mm steel bead traveling at a speed of 120 m/s)
- Superb UV protection
- Protection against splashes and liquids
- Broad field of vision
- Resistance to ignition
