Datasheet

5 Pole Male DIN Connector, 611 Series , DIN 45322

RS Stock number [110-2826](#)

Specification

Working voltage: 100Vdc or a.c peak

Test Voltage: 1000V dc

Current rating: 4A

Insulation Resistance: 10 Ω min at 100 Vdc

Contact Resistance: 10m Ω max

Capacity: 3pF

Temperature Range: -25°C to +70°C

Housing: Zinc alloy finished in bright nickel or matt black plated

Pin base mouldings: Nylon

Contacts: Brass, silver plated

Cable clamps: Plated mild steel

Grommets: Black PVC
