NON ALCOHOL FOGGING DISINFECTANT (RUB & CLEAN)

NON ALCOHOL FOGGING DISINFECTANT (RUB & CLEAN) is a ready-to-use fogging disinfectant, killing 99.9% of germs on various hard surface surfaces like plastics, metal, glass, wood, floors, walls, ceilings, carpet, curtains, sofas etc. No dilution is required. It is non-flammable. The product can reach inaccessible area that is not able to have a wipe down.

Directions for use:

Fogging must be carried out when a room is unoccupied. Fogging process is dependent on the type of foggers that is going to be used and follow the fogging equipment manufacturer instruction manual. Used the fogging disinfectant product as it is and DO NOT dilute. Allow 45 to 60 minutes to elapse for fog to dissipate before the treated area is re-entered.

Precaution:

- DO NOT dilute the product.
- Wear appropriate PPE (Face mask, Safety Goggles and Gloves upon application.
- Put up an appropriate signage to warn staff and casual visitors of the process and to prohibit entry into the treatment area.
- Avoid contact with food.
- DO NOT ingest.
- Keep out of reach of children.

Storage:

Store below 40°C.
