RS Stock No.: 221-5284, 221-5285, 221-5286, 221-5287, 221-5288

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Once locked, they rotate freely around the hand wheel & prevent the valve wheel from being turned. The strong Polypropylene plastics make them resistant to cracking and abrasion.

- They are resistant to extreme weather and temperature conditions.
- Single padlocks hole is available in each gate valve lockout device.
- Unique knock out center accommodates OS & Y or “rising stem” valves.
- Hasps and padlocks can be used to lock these lockouts.

General Specifications

Material: Strong Polypropylene plastics
