

## Datasheet

### RS PRO 20m Toslink Male to Male Cable, Black with Metal Connectors

Stock number: 192-4514

EN

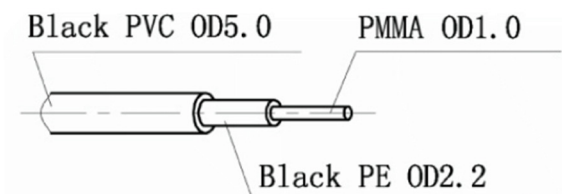

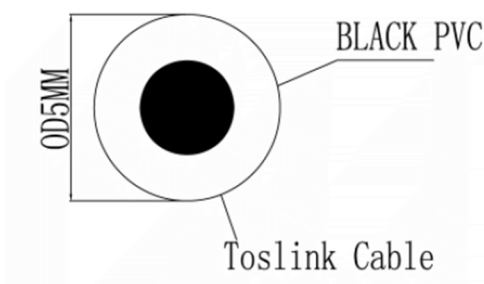

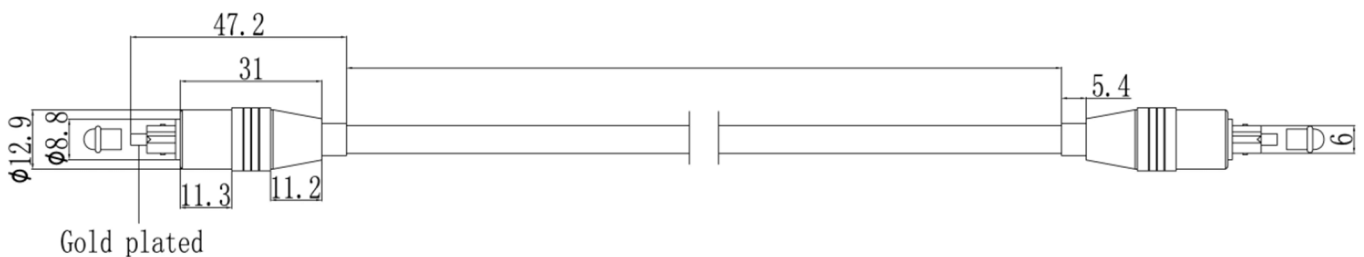

The RS PRO 20 metre, Toslink cable has a black PVC jack and metal boots.

The connectors have a small strain relief to help avoid the cable splitting around the edge of the boot.

The inner core has a diameter of 1mm and the cable has an overall outer diameter of 5mm. The inner core is made from PMMA which is an acrylic 'Plexiglas' which makes it a little more durable than a glass core.

Our Toslink cables also come with a removable protective cap to cover the core and prevent damage when not in use.

Toslink is a fibre optical, digital audio cable which can be found on many devices such as TV's, Bluray players, games consoles to name a few.
