- Manufactured and approved to recognised European GS standard

## RS PRO 3 Tread Aluminium Steps 0.66m Platform Height, Silver

RS Stock No.: 789-8517

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

### Product Description

These convenient three-tread aluminium steps from the RS PRO range are small and portable. They come with Easy Slope technology, making it simple to adjust the incline of the steps and keep them stable while in use. Large serrations on each of the steps also create extra grip, ensuring they're safe to use. Each unit has a raised handrail that allows for quick grasping and measures 0.66 m high, with an overall height of 1.24 m. When stored and folded, they have a depth of 120 mm.

### General Specifications
