

FEATURES

- Lead length is 1.2m
- Current rating 10A
- Termination cable style
- Straight to right angle 4mm plugs silicone cable
- For use with industry standard Multimeter Test kits
- Highly durable and reliable

RS PRO Multimeter Test Lead, CAT III, CAT IV

RS Stock No.: 125-3736

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO shrouded 4 mm test lead terminations are for use with all types of test equipment that feature full safety sockets. Each set comprises 1 red, 1 back cable assembly and test prods. The cable is double insulated silicone with the inner insulation of a contrasting colour to indicate damage.

[125-3740](#) – Crocodile clips

[340-2566](#) – Fused crocodile clips
