RS PRO 23 Piece Engineers Tool Kit with Case, VDE Approved

RS Stock No.: 829-6549

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO 23 piece tool kit, designed for professional engineers who work on or around electrically live circuits. This easy to carry case is versatile and durable with cut-out slots created for each individual component. The kit includes essential and useful selection of screwdrivers, sockets, spanners and pliers. Manufactured from high grade chrome vanadium steel, the tools are strong and built to provide years of service. Each tool has its own locating area in the case which keeps you organised.
