RS PRO Self Adhesive Black Cable Tie Mount 38 mm x 38mm, 10.2mm Max. Cable Tie Width

RS Stock No.: 730-0335

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This adhesive cable tie base is designed as an anchor point to attach cables to another surface using a cable tie. For increased support, mounting holes are provided for screws. Its 4-way design enables you to thread cable ties either vertically or horizontally once mounted.

The mounts are manufactured from nylon 6.6 (also known as Nylon 66) that is classified to UL 94V-2, making them ideal for use where fire resistance is critical. Cable tie mounts have been designed specifically to be used with cables and wires to secure, identify and tidy cables.

General Specifications

Series	HC
Colour	Black
Material	Nylon 66
Fire Behaviour	Self-Extinguishing
Self Adhesive	Yes
Fixation Method	Screw Mounting
Application	Cable management and organisation

Mechanical Specifications

Length	38mm
Width	38mm
Fixing Hole Diameter	5mm
Cable Tie Width Acceptance	10.2mm
Height	7.6mm

Approvals

Standards Met	UL 94V-2
