

Datasheet

RS Pro Straight 50Ω Panel Mount Bulkhead Fitting BNC Connector, jack, Crimp Termination RG174/U Nickel

RS Stock No: **793-3594**

Product Details

RS Pro straight panel mount bulkhead fitting BNC connector comes with waterproof IP68 inner sealing against gas and moisture ingress between insulators, inner and outer conductors and connector body and panel sealing between the connector body and panel mounting hole. This waterproof crimp jack has a nickel plated brass body, PTFE insulator, rubber 'O' rings, silicone gasket and a gold plated centre contact. The suitable RF coaxial cable for this IP68 sealed BNC series jack is RG174/U. This female connector has 50 Ω impedance. It is suitable for a variety of applications including video signalling and test equipment.

Features and Benefits

- Nickel plated brass body, PTFE insulator, rubber 'O' rings, silicone gasket and a gold plated centre contact
- Crimp termination method
- Female connector
- Suitable for a variety of applications including video signalling and test equipment

**Specifications:**

Body Orientation	Straight
Body Plating	Nickel
Bulkhead	Yes
Cable Type	RG174/U
Contact Material	Brass
Contact Plating	Gold
Gender	Female
Impedance	50 Ω
Mounting Type	Panel Mount
Operating Frequency	4 GHz
Termination Method	Crimp
Operating Temperature Range	-20 to +80°C
Standards Met	RoHS Compliant
Voltage Rating	500 V (Working)
